

Treatment of Non-COVID-19 Patients During Pandemic

Posted On: 18 SEP 2020 4:34PM by PIB Delhi

The patients who were not suffering from Corona but still have been treated in AIIMS and Central Government run hospitals in IPD as well as in OPD after 24th March, 2020 in the country is given in Annexure.

As per the National Health Accounts (NHA) Estimates 2016-17 (latest available), public expenditure on health as a percentage of GDP is 1.2%.

No such patient who was already admitted in AIIMS or Central Government run hospitals whether serious/critical or non-serious was discharged from the hospitals without adequate treatment, due to pandemic situation in the country.
