# CoWIN Feedback

- **Rapid Assessment System (RAS) of MEITY** used for taking feedback
- Process **started from 17<sup>th</sup> Feb 2021**
- **Personalized SMS sent to all beneficiaries a day after vaccination.**
- SMS contains the name of person, dose (first/ second), and a **URL for feedback**
- Once the user confirms for vaccination against his/ her name, **5 questions asked**
- **If no feedback** received, **OBD call is made** the next day for feedback
- **If not answered, a retry after 4 hours**

The screenshot shows the CoWIN Feedback form. At the top, there is a blue header with the Government of India logo, the CoWIN logo (a circular logo with 'CO-WIN' and 'Winning Over Covid-19'), and the word 'FEEDBACK'. Below the header, a message states: 'You are requested to kindly submit the Feedback for COVID vaccination.' The form contains three input fields: 'Date of vaccination' (02 Feb 2021), 'Site of vaccination' (AI Arif Hospital Thiruvananthapuram, Kerala), and 'Place of vaccination' (Kerala). Below these fields, a question asks: 'Kindly confirm whether you have been vaccinated with first Dose?'. The answer is 'Yes' (selected with a checked checkbox). Below this, a note states: 'Questions marked with \* are mandatory'. There are four questions: 1. 'Was social distancing maintained at the vaccination site?\*' (Yes/No), 2. 'Did the staff inform you about the vaccination process and gave vaccine properly?\*' (Yes/No), 3. 'Were you informed about the adverse effects following immunization?\*' (Yes/No), and 4. 'Were you asked to wait for 30 minutes post vaccination for monitoring any adverse event?\*' (Yes/No).
