One of the highlights of the vaccination process is a link for downloading the certificate which is also a part of confirmatory SMS sent to the beneficiary post vaccination. The Certificate can also be downloaded by the Vaccinator and District Immunization Officer and handed over to the beneficiary.

Total 27 persons have been hospitalized so far. 0.0005% people have recorded hospitalization against vaccinations. No new hospitalization is recorded in the last 24 hours.

Total 22 deaths have been recorded till date. One New death reported in past 24 hours of a 77 year old Male in Agra, 7 days after vaccination. It was a case of Shock with pre-existing Diabetes.

None of these deaths have been causally linked with COVID-19 vaccination.
