Campaign on COVID Vaccination and AatmaNirbhar Bharat by Field Outreach Bureau, Goa ,was flagged off today by Chief Minister Dr Pramod Sawant. At a time when the whole world is struggling due to Covid-19 Pandemic, India under the leadership of Prime Minister Shri Narendra Modi has successfully launched the vaccination. In the first phase of vaccination all the healthcare professionals and frontline workers will be covered. In the state of Goa 9200 healthcare workers and 2000 frontline workers vaccinated so far, said Dr Pramod Sawant.

The Chief Minister said an awareness campaign like this will help to reach out to the last person in the society. Government's vision of 'Antodaya' will be fulfilled by campaigns like this. Collaborative efforts of central government and state government departments will help the government to overcome all the rumours and misguiding of the people on vaccination. 'AatmaNirbhar Bharat, swayampurna Goa' campaign will help to make Goa self-reliant by 19 December 2021. 'Swayampurna Mitra' is available in panchayats on every Saturday to inform the people about various schemes, said Dr Sawant.

Shri Santosh Ajmera, Director, Regional Outreach Bureau; Maharashtra-Goa apprised about the campaign. He said that 600 locations in the state would be covered by campaign. WHO and UNICEF is doing an impact assessment study of this campaign and they will submit the report to the Government of India.

Field outreach Bureau(Goa) is the branch office of ROB(Mh&Goa), which is having its headquarters in Pune.

A massive drive has been launched by ROB in the entire Maharashtra and Goa region to wipe out misinformation against vaccination and to increase awareness on its efficacy, safety. The drive also targets to clear apprehensions on Adverse events following immunization (AEFI). To this end 800 cultural artists will make around 11400 cultural performances in the region.

The campaign also involves a component on AtmaNirbhar Bharat, through which FOB Goa plans to inform Goans, the various schemes, prospects and policies of Government of India which includes Skill development, Entrepreneurship, significance of Vocal for Local etc.

The campaign is to be done through Mobile Exhibition vans. A fully equipped state of the art Multimedia exhibition Van shall ply through North and South Goa. Each van will travel 30-40 kms and cover 8-10 villages daily in a district. A team of 5-6 members of private registered troupes will be onboard for cultural performances in the cities/villages (on the route) to create awareness on COVID vaccination and AatmaNirbhar Bharat through local folk and infotainment.
