

**Govt. of India has so far provided more than 17.15 crore vaccine doses to States/UTs Free of Cost**

**More than 89 lakh doses are still available with the States/UTs to be administered**

**Over 28 Lakh doses in addition will be received by the States/UTs in the next 3 days**

Posted On: 06 MAY 2021 10:43AM by PIB Delhi

The Government of India is leading the fight against the COVID19 pandemic in collaboration with the States and UT through a “Whole of Government” approach. Vaccination forms an integral component of the five point strategy of Government of India of containment and management of the pandemic (including Test, Track, Treat and COVID Appropriate Behaviour).

Implementation of the Liberalised and Accelerated Phase 3 Strategy of Covid-19 Vaccination has started from 1<sup>st</sup> May 2021. Registration for the new eligible population groups has commenced since 28th April. Potential beneficiaries can either register directly on the CoWIN portal ([cowin.gov.in](http://cowin.gov.in)) or through the AarogyaSetu app.

The Government of India has so far provided more than 17.15 crore vaccine doses (17,15,42,410) to States/UTs Free of Cost. Of this, the total consumption including wastages is 16,26,10,905 doses (as per data available at 8 am today).

More than 89 lakh COVID Vaccine doses (89,31,505) are still available with the States/UTs to be administered. States with negative balance are showing more consumption (including wastage) than vaccine supplied as they have not reconciled the vaccine they have supplied to Armed Forces.

Furthermore, more than 28 lakh (28,90,360) vaccine doses will be received in addition by the States/UTs within the next 3 days.

Status of COVID-19 Vaccine Distribution (combining both vaccine) for 45 above age as on 06.05.2021 at 08:00 AM
