There has been an unprecedented surge in the number of COVID19 cases in the country since the past few weeks. The health infrastructure of several States and UTs has been overwhelmed by the very high number of daily cases and increased mortality.

Following the spirit of Vasudhaiva Kutumbakam, the global community has extended a helping hand in supporting efforts of Government of India in this collective fight against the global COVID19 pandemic.

Government of India has been receiving international donations/aid of Covid-19 relief medical

supplies and equipment since 27 April 2021 from different countries. All items received so far are allocated to the states/institutions and substantial part of it stands delivered. This is an ongoing exercise. The aim is to extend all support and assistance through various means and measures to strengthen the States' and UT's efforts during this critical phase.

On the other hand, the cumulative number of COVID19 vaccine doses administered in the country has crossed **16.25 Cr** today as the Phase-3 of the nationwide Vaccination Drive expands further.
