### **Fresh Order for Vaccines placed to achieve Universalization of Vaccination**

In immediate follow-up of the Hon. Prime Minister's announcement of these changes in the Guidelines of National COVID Vaccination program yesterday, the Union Health Ministry has placed an order with Serum Institute of India for 25 crore doses of Covishield and with Bharat Biotech for 19 crore doses of Covaxin. These 44 crore (25+19 cr) doses of COVID-19 vaccines will be available till December 2021, starting now. Additionally, 30% of the advance for procurement of both the Covid Vaccines has been released to Serum Institute of India and Bharat Biotech.

### **“No data to show children will be seriously infected in subsequent COVID-19 waves”**

“It is a piece of misinformation that subsequent waves of the COVID-19 pandemic are going to cause severe illness in children. There is no data - either from India or globally - to show that children will be seriously infected in subsequent waves.” This was informed by Director, All India Institute of Medical Sciences (AIIMS) Delhi, Dr. RandeepGuleria, during a media briefing on COVID-19, held at National Media Centre, PIB Delhi today.

Dr. Guleria cited that 60% to 70% of the children who got infected and got admitted in hospitals during the second wave in India, had either comorbidities or low immunity; healthy children recovered with mild illness without need for hospitalization.

### **Centre issues SOPs for vaccination of persons undertaking international travel for educational purposes, or employment opportunities, or as part of India's contingent for Tokyo Olympic games**

It has been a constant endeavour of the Union Government to streamline the vaccination process to increase coverage of all segments of the population. In this regard, taking note of the several representations received by Union Ministry of Health & Family Welfare for allowing administration of second dose of Covishield for such persons who have only taken first dose of Covishield and are seeking to undertake international travel for educational purposes or employment opportunities or as part of India's contingent for Tokyo Olympic games, but whose planned travel dates fall prior to completion of the currently mandated minimum interval of 84 days from the date of first dose, Union Health Ministry has written to States/UTs to facilitate vaccination of such persons.

The Ministry had issued SOPs yesterday in this regard which have been conveyed to States/UTs. States/UTs have been advised to widely publicize and take all necessary measures to immediately implement these SOPs.

### Inputs from PIB Field Units

**Maharashtra:** Maharashtra has reported the maximum number of mucormycosis cases (6,339) in India. India has so far reported 28,252 cases of mucormycosis.

Maharashtra on Monday recorded as many as 10,219 new coronavirus cases, the lowest since March 10, taking the tally of infections in the state to 58,42,000, the death toll increased to 1,00,470 with 154 new fatalities. Maharashtra's recovery rate of COVID-19 cases is 95.25 per cent, while the fatality rate is 1.72 per cent.

**Gujarat:** Gujarat on Monday reported 778 fresh coronavirus positive cases and 11 fatalities, taking the tally to 8,17,012 and the toll to 9,944. With 2,613 patients being discharged during the day, Gujarat's cumulative count of recoveries rose to 7,90,906, leaving the state with 16,162 active cases. Gujarat's case recovery rate improved further to 96.80 per cent on Monday. Gujarat government has exempted the hotels, resorts, restaurants and water parks in the state from paying property tax and fixed electricity charges for one year. This relief has been granted from 1st April 2020 to 31st March 2021 due to Covid19 pandemic.

A total of 2,59,192 people received COVID-19 vaccine jabs in Gujarat during the day, taking the count of doses administered so far to 1,86,55,846. A total of 1,86,825 doses were administered to people in the age group of 18 to 44 years in the day, raising the number of the beneficiaries in this group in Gujarat to 26,62,353.

**Rajasthan:** In Rajasthan, the State Government has announced some more relaxations under Unlock 2.0. The new guidelines issued by the Home Department yesterday night have come into effect from 5 a.m. today. Persons coming to Rajasthan and have taken both doses of COVID vaccine 28 days ago now need not to bring an RT-PCR negative report. However, it will be mandatory for other passengers to bring the RT-PCR test report done 72 hours before starting the journey. Now most of the business establishments are allowed to operate from morning to five in the evening. But weekend curfew will be continued. All government and private offices can now be opened till 4 p.m. with the presence of 50 per cent attendance.

All government and private educational institutions have also been allowed to open, but students will not be called for academic activities. Roadways and private buses will start operating in the state from June 10. But, the city bus service running in the cities will be restricted. Public parks will also open from 5 A. M. to 8 A.M. Meanwhile, the positivity rate in the state has come down below two per cent.

**Madhya Pradesh:** Markets in Bhopal will reopen from 10 June. The district administration had allowed only shops selling essential items till now. In order to encourage vaccination among the shopkeepers 'TikaLagvao, BazarKhulwao' abhiyan was launched by Medical Education Minister Vishwas Sarang in Bhopal. 101 oxygen plants will start production in the state by 30th August. Chief Minister Shivraj Singh Chauhan yesterday has also directed for creating 800 MT storage capacity in all Divisional headquarters so that any emergency could be dealt with.

Madhya Pradesh on Monday reported 571 covid positive cases and 32 deaths while 1,782 patients recovered from infection. The active cases reduced to 8,860. Not a single district of the state is now in the Red Zone.

**Chhattisgarh:** In Chhattisgarh, the situation of COVID infection is improving steadily. Besides, the COVID vaccination campaign is also going on in full swing. More than 8,30,000 in the age group of 18 to 44 years have been vaccinated against COVID-19 in Chhattisgarh. Besides, 77 per cent of the people above the age of 45 years have also been vaccinated. The first dose of COVID vaccine has been given to 100 per cent frontline workers in the state. As far as health workers are concerned, 90 per cent of them have been vaccinated. So far, more than 71 lakh vaccines have been administered to persons of all age groups and categories in the state, including first and second doses. Chhattisgarh's COVID-19 case count rose to 9,79,576 on Saturday with addition of 1,356 cases, while the death toll rose by 30 to reach 13,192. The number of recoveries rose to 9,41,489 after 512 people were discharged from various hospitals while 2,396 others completed home isolation during the day.

**Goa:** Chief minister Pramod Sawant said that the state government would start the process of unlock in Goa after June 15 and not before that, and added that the state can only think of restarting tourism after vaccinating the (eligible) population of the state. Goa on Monday reported 418 fresh coronavirus positive cases and 13 fatalities, taking the tally to 1,59,811 and the toll to 2,840. With 1,162 patients being discharged during the day, the overall count of recoveries in Goa rose to 1,50,574, leaving the state with 6,397 active cases. With 2,745 new tests, the total number of samples tested so far in Goa has gone up to 8,48,687.

**Kerala:** State Kerala Finance Minister K N Balagopal has said that the new vaccine policy of the central government is a good decision which should have been taken earlier. He added that time bound completion of vaccination also is important. Meanwhile, the State Road Transport Corporation's long distance bus services that was stopped due to the second wave of Covid pandemic will resume from tomorrow. Services will be operated on busy routes where more people travel. There will no service on Saturday and Sunday. The State government has extended the lockdown, which was scheduled to end on June 9, till June 16, as the state reported 9,313 new Covid-19 cases and 221 more deaths yesterday. TPR stands at 13.2 %. So far a total of 1,05,30,981 vaccination doses have been given in the state. Out of this, 83,54,536 were first dose and 21,76,445 second dose.

**Tamil Nadu:** TN CM M K Stalin has thanked PM Modi for announcing free vaccines for all and urged for more freedom to states. Taking note of the spread of black fungus aka mucormycosis infection in TN, Chief Minister Stalin Monday allocated Rs 25 crore to combat it. State Health Minister Ma Subramanian has said one crore vaccines can be produced in Coonoor in a month if Centre permits; he said that the bottling facility at the Pasteur Institute of India in Coonoor has capacity to bottle one crore vaccines. Three more oxygen express trains, carrying 204.14 MT of oxygen reached Tamil Nadu yesterday. With lockdown relaxations coming into effect, normalcy is returning slowly in Tamil Nadu. TN on Monday registered 19,448 new cases, and the total number of infections has touched 22,56,681. After many days, cases came below 20,000. Till date 1,01,19,582 have been vaccinated across TN, of which 80,16,934 received first dose and 21,02,648 received second dose.

**Karnataka:** As per the State Government bulletin released for 07-06-2021, New Cases Reported: 11,958; Total Active Cases: 2,38,824; New Covid Deaths: 340; Total Covid Deaths: 31,920. Around 1,48,800 were vaccinated yesterday with a total of 1,53,34,586 have been vaccinated in the state till now. Health Minister Sudhakar said that, the State has taken steps to reduce the vaccine shortage in the state,

every eligible person will be given a two-dose coronavirus vaccine by the end of the year. The Mysore University has attracted the attention of the country by developing a unique Corona test kit that can provide result in 5 to 10 minutes. In the wake of Corona 3rd wave anxiety, the government has prepared an action plan for upgrading the district and taluk hospitals at a cost of Rs 1,500 crore. The Bruhat Bengaluru MahanagaraPalike (BBMP) has vaccinated close to 60% of population in the 45+ age group, after it stepped up inoculation drive across Bengaluru in the past few weeks. The civic body has set a target of 75% and embarked on door-to-door assessment of beneficiaries at booth levels using voters' list.

**Andhra Pradesh:** State reported 4872 new Covid-19 cases after testing 64,800 samples with 86 deaths, while 13,702 got discharged during the last 24 hours. A total of 1,09,92,317 doses of Covid vaccines have been administered in the state as on yesterday, which include 84,08,633 first doses and 25,83,684 second doses. Chief Minister YS Jagan Mohan Reddy thanked PM Modi for deciding to provide Covid Vaccines free to people above 18 years of age. In view of the threat of third wave striking the country which according to experts may affect children more, the State Government has decided to set up paediatric care centres at Visakhapatnam, Tirupati and Krishna-Guntur regions. The Chief Minister also directed the officials to prepare an action plan for the construction of each hospital at a cost of Rs 180 crore. Meanwhile, PG doctors and house surgeons under the AP Junior Doctors' Association served strike notice for boycotting duties from June 9, if their demands of ex-gratia/health insurance for all frontline workers, Covid incentives for all the junior doctors including postgraduates and interns, increased security measures in hospitals to prevent untoward incidents and resolve TDS issue in stipend pay.

**Telangana:** The State Cabinet is meeting today to take stock of the Covid situation and lockdown in the state. As many as 1933 new daily cases and 16 fatalities were reported yesterday taking the total number of cases in the state to 5,93,103 and deaths to 3,394. Total number of Active cases in the state now stands at 25,406. The vaccination drive in the state to inoculate high risk groups/super spreaders is going on. Coming to cumulative numbers of vaccine beneficiaries in the state, a total of 52,59,171 people of all categories received first dose and 14,36,126 received the second dose. The State Health Department is gearing up to face the likely third wave of Corona pandemic and decided to increase number of beds in Govt hospitals by 6,000 and procure medical equipment and medicines to treat the children affected by Covid.

**Assam:** 37 more COVID-19 deaths were reported in Assam in the last 24 hours, taking the pandemic toll to 3,695. During the day, 3,804 new infections were detected in 1,24,316 tests at the positivity rate of 3.06 percent. Kamrup Metro saw 318 new cases. Amidst apprehensions that many senior citizens and individuals with special needs may not be able to receive the doses of COVID-19 vaccine due to inability to travel to a COVID vaccination center, the Health department has issued a new SOP for creation of Near to Home COVID Vaccination Centres.

**Manipur:** After experiencing single digit daily fatality count and daily positivity rate for two days, the state on Monday reported two-digit fatalities and positivity rate as the government bulletins reported 15 death cases and 598 new positive cases out of 4987 samples tested in the last 24 hours. CM leads interfaith prayer to curb virus. The number of people who have been administered COVID-19 vaccine in Manipur reached 4,23,072, as per the latest updates from the state health department. Mass Vaccination and mass testing conducted at different parts of the state.

**Meghalaya:** Meghalaya, for the third consecutive day, reported COVID-19 cases below 500-mark with the daily virus-related fatalities seeing a significant drop on Monday.

With 438 fresh COVID-19 cases and five fatalities, the state's total confirmed cases have gone up to 39,156.

**Sikkim:** After many weeks, Sikkim has recorded zero Covid death, as per the Health department report of Monday. Meanwhile, 59 Covid cases were detected from the 706 samples tested on Sunday. The positivity rate is 8.3%. The State's active Covid tally is 4051 cases.

**Tripura:** 235 people infected in last 24 hours and 8 died while 595 people recovered in the same time. Meanwhile state government has asked opinion of the parents with regard to the conduct of secondary and higher secondary examination for which a dedicated website has been launched. The feedback in the form of Yes or No can be given by 6 PM on June 15.

**Nagaland:** Nagaland reports 145 new Covid cases and three fatalities on Monday. Active cases are 4703 while tally reaches 22,918. A total of 2,88,674 beneficiaries have been inoculated in Nagaland so far. 62% of healthcare workers vaccinated, 38% yet to avail vaccine. Nagaland to intensify Covid vaccination for 18-44 yrs age group from June 8 till June 18. Vaccination to be carried out in all health facilities during Monday to Friday.

**Punjab:** The total number of patients tested Positive is 580829. Number of active cases is 19995. Total Deaths reported is 15160. Total COVID-19 Vaccinated with 1st dose (Healthcare + Frontline Workers) is 1139243. Total COVID-19 Vaccinated with 2nd dose (Healthcare + Frontline Workers) is 310796. Total above 45 Vaccinated with 1st dose is 3003115. Total above 45 Vaccinated with 2nd dose is 492815.

**Haryana:** Total Number of Samples found positive till date is 762931. Total active COVID-19 patients is 8024. Number of deaths is 8751. Cumulative coverage of vaccination is 6060728.

**Chandigarh:** Total Lab confirmed COVID-19 cases is 60707. Total number of Active Cases is 740. Total number of COVID-19 deaths till date is 774.

**Himachal Pradesh:** Total number of patients tested Covid positive till date is 195755. Total number of Active Cases is 7555. Total deaths reported till date is 3299.

My address to the nation. Watch. <https://t.co/f9X2aeMiBH>

— Narendra Modi (@narendramodi) June 7, 2021

21 जून, सोमवार से देश के हर राज्य में, 18 वर्ष से ऊपर की उम्र के सभी नागरिकों के लिए, भारत सरकार राज्यों को मुफ्त वैक्सीन मुहैया कराएगी।

वैक्सीन निर्माताओं से कुल वैक्सीन उत्पादन का 75 प्रतिशत हिस्सा भारत सरकार खुद ही खरीदकर राज्य सरकारों को मुफ्त देगी: PM @narendramodi

— PMO India (@PMOIndia) June 7, 2021

देश की किसी भी राज्य सरकार को वैक्सीन पर कुछ भी खर्च नहीं करना होगा।

अब तक देश के करोड़ों लोगों को मुफ्त वैक्सीन मिली है। अब 18 वर्ष की आयु के लोग भी इसमें जुड़ जाएंगे।

सभी देशवासियों के लिए भारत सरकार ही मुफ्त वैक्सीन उपलब्ध करवाएगी: PM @narendramodi

— PMO India (@PMOIndia) June 7, 2021

प्रधानमंत्री गरीब कल्याण अन्न योजना को अब दीपावली तक आगे बढ़ाया जाएगा। महामारी के इस समय में सरकार गरीब की हर जरूरत के साथ उसका साथी बनकर खड़ी है।

यानि नवंबर तक 80 करोड़ से अधिक देशवासियों को हर महीने तय मात्रा में मुफ्त अनाज उपलब्ध होगा। [pic.twitter.com/Ospx5R80FT](https://pic.twitter.com/Ospx5R80FT)

— Narendra Modi (@narendramodi) June 7, 2021

Some people thrive on creating panic and furthering vaccine hesitancy.

Such elements are doing a great disservice to the efforts to make our planet COVID-free. [pic.twitter.com/uUYKy2lpj6](https://pic.twitter.com/uUYKy2lpj6)

— Narendra Modi (@narendramodi) June 7, 2021

Vaccines are central to the fight against COVID-19.

Remember the times India had wait for years to get vaccines for various diseases.

Here is what changed after 2014. [pic.twitter.com/nStfbv9sXw](https://pic.twitter.com/nStfbv9sXw)

— Narendra Modi (@narendramodi) June 7, 2021

## COVID-19 UPDATE

India has reported **1,00,636** New Cases in the last 24 hours. This is the lowest in the last two months. The country has recorded **less than 2 lakh Daily New Cases for 11 continuous days now**. This is a result of collaborative and sustained efforts by the Centre and States/UTs following the “whole of Government” approach.

- India reports 1 Lakh Daily New Cases, lowest in 61 days
- Less than 2 lakh Daily New Cases for 11 consecutive days
- India's Active Caseload drops to 14,01,609 today
- Daily Recoveries continue to outnumber Daily New Cases for 25th consecutive day
- Steady incline in National Recovery Rate maintained; Recovery Rate increases to 93.94%
- Daily Positivity Rate at 6.34% continues trend of less than 10% positivity rate for 14 consecutive days
- 23.27 Cr. Vaccine Doses administered so far under Nationwide Vaccination Drive

**Details: <https://pib.gov.in/PressReleaseDetail.aspx?PRID=1725008>**

### **COVID-19 Vaccination UPDATE**

More than 24 crore (24,60,80,900) vaccine doses have been provided to States/UTs so far, through Government of India (free of cost channel) and through direct state procurement category.

Of this, the total consumption, including wastages is 23,11,69,251 doses (as per data available at 8 AM today).

More than 1.49 crore (1,49,11,649) COVID Vaccine doses are still available with the States/UTs to be administered.

Details:<https://pib.gov.in/PressReleaseDetail.aspx?PRID=1725005>

### **Dr Harsh Vardhan chairs 28th meeting of Group of Ministers (GOM) on COVID-19**

Dr. Harsh Vardhan, Union Minister of Health & Family Welfare chaired the 28th meeting of the high-level Group of Ministers (GoM) on COVID-19 by a video-conference, here today. He was joined by Dr. S. Jaishankar, Ministry of External Affairs, Shri Hardeep S. Puri, Union Minister for Housing & Urban Affairs (I/C); Civil Aviation (I/C); & MoS Commerce & Industry, Shri Nityanand Rai, Minister of State, Ministry of Home Affairs and Shri Ashwini Kumar Choubey, Minister of State, Health & Family Welfare. Dr. Harsh Vardhan gave a snapshot of India's efforts to contain COVID-19 at the outset: "The recovery rate has been climbing up and stands at 93.94% today. In the last 24 hours we have had the least number of Daily New cases in the last 61 days with just over 1 Lakh cases (1,00,636). 1,74,399 recoveries were registered in the last 24 hours and our case fatality rate has been 1.20%. Today is the 25th day in succession where our daily recoveries outnumbered new cases."

Details: <https://pib.gov.in/PressReleaseDetail.aspx?PRID=1725061>

### **Centre to States: Unique Disability Identification Card (UDID) now acceptable as a Photo ID for registration on Co-WIN 2.0**

It has been the constant endeavour of the Union Government to streamline the vaccination process for its universalization. In this backdrop, the Union Ministry of Health has written to the States/UTs today to include the Unique Disability Identification (UDID) Card as a Photo ID while registering on Co-WIN 2.0. As per the Guidance note for Co-WIN 2.0 issued on 2nd March 2021, seven prescribed Photo IDs were specified and prescribed for verification of beneficiary prior to their vaccination.

In the letter written to the States and UTs, the Union Health Ministry has stated that the UDID card, issued to persons with disability by Department of Empowerment of Persons with Disabilities, Ministry of Social Justice and Empowerment, has all the necessary features such as the name, year of birth, gender and photograph of the person, and meets the criteria for use of identification in COVID-19 vaccination.

## Inputs from PIB Field units

**Kerala:** The review meeting to be chaired by Chief Minister Pinarayi Vijayan later today is likely to take a call on extending the lockdown in the state. The TPR has been below 15% for the last three consecutive days. It was 28.25 on May 8 when the lockdown started. On May 12, it rose again to 29.72. Yesterday it stood at 14.27 % with 14,672 new positive cases. However, the death toll is nearing 10,000. State Health Minister Veena George today informed the assembly that the vaccination drive in the state will be intensified in a targeted manner. So far a total of 1,03,82,765 people have been vaccinated in the state. Out of this, 82,16,201 took first dose and 21,66,564 second dose.

**Tamil Nadu:** TN Chief Minister M.K. Stalin visited the Arignar Anna Zoological Park in Vandalur on Sunday to take stock of the incidence of Covid-19 infection among Asiatic lions at the zoo. Black fungus has affected 921 persons in Tamil Nadu, officials said; State has so far received 2470 vials of Black Fungus drug Amphotericin-B from Centre. Three Oxygen express trains, carrying 354.92 MT of oxygen from Durgapur, Rourkela and Raipur reached Chennai on Sunday. Oxygen expresses have so far brought 3,315.69 MT of oxygen. The number of Covid-19 cases continued to fall in Tamil Nadu, with 20,421 fresh cases reported on Sunday. The tally of active cases stands at 2,44,289. So far, 22,37,233 people have tested positive.

**Karnataka:** As per the State Government bulletin released for 06-06-2021, New Cases Reported: 12,209; Total Active Cases: 2, 54,505; New Covid Deaths: 320; Total Covid Deaths: 31,580. Around 57,519 were vaccinated yesterday with a total of 1,51,12,744 having been vaccinated in the state till now. Covid-19 patient discharges are outstripping new cases being found daily, with officials describing the development as a sign of the state's recovery from the second wave. The government is leading the creation of 20 thousand new jobs in the healthcare sector. Areas such as the maintenance of medical equipment that do not require much medical technology have been identified for this.

**Andhra Pradesh:** State reported 8976 new Covid-19 cases after testing 83,690 samples with 90 deaths, while 13,568 got discharged during the last 24 hours. Total cases: 17,58,339; Active cases: 1,23,426; Discharges: 16,23,447; Deaths: 11,466. A total of 1,08,52,057 doses of Covid vaccines have been administered in the state as on yesterday, which include 82,75,784 first doses and 25,76,273 second doses. State Covid nodal officer Arja Srikanth said the State government is setting up oxygen plants in all districts to meet the requirements of the Covid patients. With a drop in new infections for the past couple of days, the state government has decided to extend the partial curfew relaxation time by two more hours after June 10. Meanwhile, amid projections of a possible third wave of Covid-19 and its greater impact on children, nine kids in the age group of 4-10 were infected with the virus and admitted to Ruia Government General Hospital, Tirupati on Sunday. The State government is likely to come up with a plan of action to face the third wave. Plans are afoot to strengthen paediatric health care facilities in hospitals across the State.

**Telangana:** State Cabinet is meeting tomorrow to take stock of the Covid situation and lockdown in the state. A total of 1436 new Covid cases and 14 fatalities were reported in the state yesterday taking the total number of cases to 5,91,170 and fatalities to 3378. The number of active cases in the state now stands at 27,016 and recovery rate is reported to be at 94.85 against the national average of 93.62. A Mega Vaccination drive was taken up in Hyderabad yesterday where more than 40,000 individuals above 18 years of age received the vaccine. The vaccination drive was organised by the Medicover Hospitals, Cyberabad Police Commissionerate and Society for Cyberabad Security Council (SCSC). About 3000 people were vaccinated per hour in the drive through 300 counters set up at the venue. Special vaccination drive for high risk groups in the state is going on and out of 10 lakh people identified in this category, about 4 lakh people have been vaccinated so far.

**Maharashtra:** As Maharashtra gears up for a five-level unlocking under its 'Break the Chain' initiative, the state has issued a fresh notification for Navi Mumbai and Thane's unlocking process that will begin today. A notification issued put Thane and Navi Mumbai civic areas in level 2 of the state government's five-level plan to ease restrictions from today based on the weekly positivity rate and the occupancy of oxygen beds. The Covid-19 vaccine trial among children of 12 to 18 years of age group has been started in Nagpur. The vaccine is being given by intramuscular mode to children. Maharashtra yesterday crossed the grim milestone of one lakh coronavirus deaths after 230 fresh fatalities in the last 24 hours. According to the health bulletin, the state witnessed 12,557 new coronavirus cases, taking the cumulative tally to 5,831,781. This is the lowest daily number of cases recorded in the state in nearly three months. Mumbai reported 794 fresh cases, 20 deaths and 833 people were discharged following their recovery.

**Gujarat:** On Sunday, Gujarat recorded the deaths of 12 Covid positive patients, a 65-day low for the state. Gujarat recorded 848 COVID-19 cases on Sunday, taking its tally to 8,16,234, while the recovery count rose by 2,915 during the day to touch 7,88,293, which is over 96 per cent of the caseload. The cases are also down at an 84-day low at 848.2,26,335 people were vaccinated on Sunday, taking the overall number of doses administered so far in the state to 1,84,04,654.

**Rajasthan:** In view of the drop in Covid-19 cases, the Ashok Gehlot-led government began the "unlock" process in the state by easing certain restrictions from June 2. Accordingly, government offices are now allowed to function with 25 per cent employees till June 7, and after that with 50 per cent employees. Private offices are allowed to remain open till 2 pm and can operate with 25 per cent employees. As per the new guidelines, organisation of wedding has been banned till June 30, while the number of people allowed to attend funerals has been capped at 20. Active coronavirus cases in Rajasthan dropped below the 20,000-mark. With the state reporting 904 fresh cases of Covid-19 on Sunday, active caseload in Rajasthan now stands at 18,575. Of the 904 new cases, Rajasthan's capital Jaipur account for 169 cases.

**Madhya Pradesh:** Madhya Pradesh reported 735 new positive cases yesterday and 42 deaths while 1,934 patients recovered from infection. 44 districts of the state reported below 10 corona cases. The number of active cases in the state declined to 10,103. The state reported 0.9 per cent corona-positive rate. Chief Minister of Madhya Pradesh Shivraj Singh Chouhan while reviewing corona control arrangements has said that state should be made self-reliant in oxygen production before the possible third wave.

**Chhattisgarh:** Chhattisgarh has reported 999 fresh cases of the Covid-19 yesterday. This is the lowest number of cases reported in the last about 80 days. Chhattisgarh has been witnessing a steady decline in cases of CoVID infection. The test positivity rate in the state has come down to less than 3 percent. The number of people recovering from the disease also outnumbered the number of people testing positive as 1909 patients discharged after recovery on Sunday. The number of COVID-19 cases continued to fall in various districts. Out of the 28 districts, in three districts cases were reported in single digit. While in remaining districts, cases were reported in double digits.

**Goa:** Goa's coronavirus caseload went up by 403 and reached 1,59,393 on Sunday, while the day also saw 16 deaths and 1,449 recoveries. The state's toll stands at 2,760 and the recovery count is 1,49,479, leaving it with an active caseload of 7,154. With 3,022 samples being examined in the last 24 hours, the number of tests in Goa went up to 8,45,942.

**Assam:** 37 people succumbed to COVID-19 in the last 24 hours in Assam, while 2,228 new infections were detected from 73,648 tests done during the day. The positivity rate was 3.03 percent. Kamrup Metro saw 309 new cases.

**Manipur:** Manipur on Sunday reported 9 fatalities and 823 new positive cases of COVID-19 out of 8773 samples tested in the last 24 hours. The number of people who have been administered COVID-19 vaccine in Manipur reached 4,22,872, as per the latest updates.

**Nagaland:** Nagaland's COVID positivity declined a bit with 77 new cases detected on Sunday along with 4 deaths. Active cases are 4732 while tally is 22,77,3.

**Tripura:** In Tripura, 654 tested positive of COVID-19 with 6 deaths in last 24 hours. Positivity stands at 4.06% with total 16105 total samples tested.

**Sikkim:** Sikkim registered 340 new COVID-19 cases from the 2548 samples tested on Saturday. The positivity rate, as per Health department, is 13.34%. The State's active COVID tally is 4306.

**Meghalaya:** In Meghalaya, 12 more persons have succumbed to COVID-19 on Sunday taking the death toll in the state to 664. The Meghalaya Government will now allow citizens in the age group of 18-44 years to book vaccine slots on the spot. An official from the Health department informed that on the spot vaccination for the 18-44 group will begin tentatively from June 11 in selected centres.

**Punjab:** The total number of patients tested Positive is 579560. Number of active cases is 22160. Total Deaths reported is 15076. Total COVID-19 Vaccinated with 1st dose (Healthcare + Frontline Workers) is 1120741. Total COVID-19 Vaccinated with 2nd dose (Healthcare + Frontline Workers) is 309955. Total above 45 Vaccinated with 1st dose is 2982118. Total above 45 Vaccinated with 2nd dose is 490177.

**Haryana:** Total Number of Samples found positive till date is 762291. Total active COVID-19 patients is 9097. Number of deaths is 8712. Cumulative coverage of vaccination is 6018309.

**Chandigarh:** Total Lab confirmed COVID-19 cases is 60659. Total number of Active Cases is 833. Total number of COVID-19 deaths till date is 772.

**Himachal Pradesh:** Total number of patients tested Covid positive till date is 194742. Total number of Active Cases is 9484. Total deaths reported till date is 3263.

## COVID-19 UPDATE

India has reported 1,14,460 New Cases in the last 24 hours. This is the lowest in the last two months. The country has recorded less than 2 lakh Daily New Cases for 10 continuous days now. This is a result of collaborative and sustained efforts by the Centre and States/UTs following the “whole of Government” approach. India has been witnessing a continuous fall in the active cases. The country’s Active Caseload has dipped below 15 lakh mark; stands at 14,77,799 today. The Caseload is below 20 lakhs for six successive days. A net decline of 77,449 is witnessed in the last 24 hours and active cases are now only 5.13% of the country’s total Positive Cases.

- India reports 1.14 Lakh Daily New Cases, lowest in two months
- Less than 2 lakh Daily New Cases for 10 continuous days
- India's Active Caseload drops below 15 Lakh; at 14,77,799 today
- Daily Recoveries continue to outnumber Daily New Cases for 24th consecutive day
- Steady rise in national Recovery Rate maintained; Recovery Rate increases to 93.67%
- Decline of Daily Positivity Rate to 5.62% continues trend of less than 10% positivity rate for 13 continuous days

- India crosses landmark of 23 cr vaccination coverage

**Details:** <https://pib.gov.in/PressReleaseDetail.aspx?PRID=1724874>

### **COVID-19 Vaccination UPDATE**

Government of India has so far provided, both through the free of cost category and through direct state procurement category, more than 24 crore vaccine doses (24,60,80,900) to States/UTs. Of this, the total consumption, including wastages is 22,96,95,199 doses (as per data available at 8 AM today).

More than 1.63 crore COVID Vaccine doses (1,63,85,701) are still available with the States/UTs to be administered.

### **CSIR initiates clinical trials of drug Niclosamide for treatment of Covid-19**

CSIR in collaboration with Laxai Life Sciences Pvt. Ltd., has initiated Phase-II clinical trial with anti-helminthic drug Niclosamide for treatment of Covid-19. The trial is a multi-centric, phase-II, randomized, open label clinical study to evaluate efficacy, safety and tolerability of Niclosamide for the treatment of hospitalized Covid-19 patients. Niclosamide has been extensively used in past for treatment of tapeworm's infection in adults as well as children. The safety profile of this drug has been tested over time and has been found safe for human consumption at different dose levels.

### **Oxygen Expresses crosses milestone of 26000 MT of LMO delivery in service to the Nation**

Indian Railways is continuing its journey of bringing relief by delivering Liquid Medical Oxygen(LMO) to various states across the country. Oxygen Expresses crossed mark of 26000 MT of LMO delivery in service to the Nation. So far, Indian Railways has delivered more than 26281 MT of LMO in more than 1534 tankers to various states across the country. It may be noted that 376 Oxygen Expresses have completed their journey so far and brought relief to various States.

Details: <https://pib.gov.in/PressReleaseDetail.aspx?PRID=1724917>

### **Busting Myths of Vaccination**

- Liberalised Pricing and Accelerated National COVID-19 Vaccination Strategy ensures Vaccine Equity.
- Private hospitals have received over 1.20 crore Doses of COVID vaccines in the month of May 2021

Government of India in close partnership with all the States/ UTs is running one of the largest COVID-19 Vaccination drives in the world since 16th January 2021. There have been some media reports alleging vaccine inequity in India's Vaccination Drive. These reports are inaccurate and speculative in nature. A 'Liberalised Pricing and Accelerated National COVID-19 Vaccination Strategy' was adopted on 1st May 2021, which is guiding the ongoing Phase-III of COVID-19 vaccination Drive. It is reiterated that the

Liberalised Vaccine policy, which envisages a larger role for the private sector and the Centre is setting aside 25% of vaccines for the private sector. This mechanism facilitates better access and reduces the operational stress on Government Vaccination facilities in terms of those who could afford to pay and would prefer to go to a private hospital.

### **Dr Jitendra Singh contributes Rs. 10 Lakh for COVID affected children of his Lok Sabha constituency**

Dr Jitendra Singh yesterday contributed Rs. 10 Lakh, raised from voluntary/personal sources, for the COVID affected children of his Lok Sabha constituency of Udhampur-Kathua-Doda. Deputy Commissioner Kathua, Rahul Yadav received the cheque for the amount, in his capacity as the Nodal Authority for all the six districts of the constituency. During his visit to Kathua, Dr Jitendra Singh also met a group of children who had lost their bread-earner during the current pandemic. He said, it is not in any way possible to compensate for the loss of the near and dear ones, but to live up to the call of our conscience, we have sought to make a very small and a humble effort to stand by these children.

### **PM Modi reviews progress of India's vaccination drive**

PM Narendra Modi chaired a high level meeting, yesterday, to review the progress of India's vaccination drive. Officials gave a detailed presentation on various aspects of the vaccination drive. PM was briefed about the current availability of vaccines and the roadmap for ramping it up. He was also apprised about the efforts undertaken to help various vaccine manufacturers ramp up production of vaccines. Government of India is actively working with vaccine manufacturers & helping them in terms of facilitating more production units, financing and supply of raw materials.

PM reviewed the status of vaccination coverage in health-care workers as well as front-line workers. He also took stock the vaccination coverage in the above 45 as well as 18-44 age group. PM also reviewed the status of vaccine wastage in various states. PM instructed that vaccine wastage numbers are still on the higher side and steps need to be taken to bring them down.

Details: <https://pib.gov.in/PressReleaseDetail.aspx?PRID=1724544>

### **COVID-19 Vaccination UPDATE**

Government of India has so far provided, both through the free of cost category and through direct state procurement category, **more than 24 crore vaccine doses** (24,21,29,250) to States/UTs.

Of this, the total consumption, including wastages is 22,27,33,963 doses (as per data available at 8 AM today).

More than 1.93 crore COVID Vaccine doses (1,93,95,287) are still available with the States/UTs to be administered.

### **109th Session of ILC: Gangwar reiterates India's commitment towards countering impact of Covid-19 pandemic**

Union Minister of State (i/c) for Labour and Employment Shri Santosh Gangwar has reiterated India's commitment towards making all possible efforts to counter the impact of the pandemic, and emerge stronger. Addressing the virtual Non-Aligned Movement Labour Ministers Meeting under 109th Session of the ILC last evening, Shri Gangwar said, the world has witnessed loss of lives and livelihood, slowdown of economies, adverse impact on the entire sections of the society and especially, the weaker ones more unsafe. He said, there is need to ensure better support to the health-care systems, social protection and employment generation. Governments are required to deal with the pandemic and provide an effective response at policy levels, to balance business continuity, income security and above everything, well-being of all, he added.

## COVID-19 UPDATE

- On a continued downward slope, India's Active Caseload further declines to 16,35,993; less than 2 Lakh since successive days

- Active Cases decrease by 77,420 in last 24 hours
- India reports 1.32 Lakh Daily New Cases in last 24 hours, maintaining continued trend in decreasing Daily New Cases
- More than 2.65 crore persons have recovered from COVID across the country so far
- 2,07,071 patients recovered during last 24 hours
- More daily Recoveries than Daily New Cases for 22 consecutive days
- On a sustained upward slope, National Recovery Rate further increases to 93.08%
- Weekly Positivity Rate currently at 7.27%
- Daily positivity rate at 6.38%, less than 10% for 11 consecutive days
- COVID Testing capacity substantially ramped up—35.7cr tests total conducted
- 22.41 crore Vaccine Doses administered so far under Nationwide Vaccination Drive

### **PM chairs meeting of CSIR Society.**

#### **We have to prepare for the needs of this decade as well as the needs of the coming decades: PM**

Prime Minister Shri Narendra Modi chaired a meeting of the Council of Scientific and Industrial Research (CSIR) Society today through video conference.

Speaking on the occasion, the Prime Minister remarked that the Corona pandemic has emerged as the biggest challenge of this century. But whenever there was a big humanitarian crisis in the past, science has prepared the way for a better future. He added that the basic nature of science is to create new strength by finding solutions and possibilities during crises.

The Prime Minister lauded the scientists for the scale and speed at which the vaccines were made within a year, to save humanity from the pandemic. He said this is the first time such a big thing has happened in history. He added that in the previous century, inventions were made in other countries and India had to wait for many years. But today the scientists in our country are working at the same speed and at par with other countries. He appreciated the scientists for making India self-reliant on COVID-19 vaccines, testing kits, necessary equipment and new effective medicines in the fight against Corona. He said that bringing science and technology at par with developed countries is better for the industry and the market.

### **Government caps Trade Margin on Oxygen Concentrators**

In view of the extraordinary circumstances arising due to the COVID pandemic that has resulted in recent volatility in Maximum Retail Prices (MRP) of Oxygen Concentrators, the Government has decided to step-in to regulate the price of Oxygen Concentrators. As per information collected by the government, margin at the level of distributor currently ranges up to 198%.

By invoking extraordinary powers under Para 19 of the DPCO, 2013 in larger public interest NPPA has capped the Trade Margin up to 70% on Price to Distributor (PTD) level on Oxygen Concentrators. Earlier, in February 2019 NPPA had successfully capped the Trade Margin on Anti-cancer Drugs. Based on the notified Trade Margin, NPPA has instructed the manufacturers / importers to report revised MRP within three days. Revised MRP will be informed in public domain within a week by NPPA.

### **Indian visa or stay stipulation period of foreign nationals stranded in India due to COVID-19 pandemic to be considered as deemed to be valid till 31.08.2021**

Due to non-availability of normal commercial flight operations on account of the COVID-19 pandemic since March 2020, a number of foreign nationals who came to India prior to March 2020 on valid Indian visas had got stranded in India. Keeping in view the difficulties being faced by such foreign nationals in getting their visas extended in India due to the lockdown, the Union Ministry of Home Affairs (MHA) had issued an order on 29.06.2020 conveying that the Indian Visa or stay stipulation period of such foreign nationals expiring post 30.06.2020 shall be deemed to be valid until 30 more days from the date of resumption of normal international flight operations, on gratis basis. The matter has now been reconsidered by the MHA in the light of non- resumption of normal commercial flight operations, and it has accordingly been decided that the Indian visa or stay stipulation period of such foreign nationals stranded in India will be considered as deemed to be valid till 31.08.2021 on gratis basis without levy of any overstay penalty.

### **Oxygen Expresses cross 10000 MT of LMO delivery to the Southern States of country.**

Indian Railways is continuing its journey of bringing relief by delivering Liquid Medical Oxygen(LMO) to various states across the country. So far, Indian Railways has delivered more than 24840 MT of LMO in more than 1463 tankers to various states across the country. It may be noted that 359 Oxygen Expresses have completed their journey so far and brought relief to various States. Oxygen Expresses crossed 10000 MT of LMO delivery to the Southern States of country. For details: <https://www.pib.gov.in/PressReleasePage.aspx?PRID=1724375>

### INPUTS FROM PIB FIELD OFFICES

**Kerala:** Announcing a Rs 20,000 crore package to tide over the crisis induced by the second wave of the Covid-19 pandemic, State Finance Minister K N Balagopal today presented the maiden budget of the second LDF government. He also set aside Rs 1,000 crore for free vaccination for everyone aged above 18 years. An additional 500 crores would be spent to ensure related equipment and facilities for free vaccination. A new oxygen plant with a capacity of 150 metric tons will be set up and a special block to deal with communicable diseases will be formed in Medical colleges. All hospitals will also be equipped with isolation wards. Meantime, the Kerala High Court has directed the state government to vaccinate at home, bedridden patients and senior citizens who are unable to travel outside. A division bench of the Court also asked the government to take a decision on the matter within 10 days. Meanwhile, Kerala recorded 18,853 new Covid cases on Thursday. With 153 new fatalities, the death toll mounted to 9375. The test positivity rate was 15.22 %. A total of 99,53,059 people has so far been vaccinated in the state. Out of this, 78,21,551 had first dose and 21,31,508 second dose.

**Tamil Nadu:** Chief Minister M.K. Stalin chaired a meeting with representatives of Bharat Biotech International Limited at the Secretariat on Thursday to discuss the establishment of the company's vaccine manufacturing units in Tamil Nadu. CM Stalin wrote to Union Health Minister Harsh Vardhan seeking immediate allocation of at least 30,000 vials of liposomal Amphotericin B to Tamil Nadu to treat mucormycosis patients. He said 673 cases had been detected in the State. Hosur co. gets nod to make Amphotericin B: Hosur-based MylanPharma has been granted permission to produce Amphotericin B. The Greater Chennai Corporation is planning to conduct a serosurvey in the city in a fortnight. The serosurvey will be the first to be done in the second wave of the COVID19 pandemic. The daily count of Covid-19 infections dropped below the 25,000 mark in TN on Thursday. A total of 24,405 people tested positive and 460 died of the infection, taking the tally of cases to 21,72,751 and toll to 25,665. Till date 96,19,198 have been vaccinated across TN, of which 75,44,779 received first dose and 20,74,419 received second dose.

**Karnataka:** As per the State Government bulletin released for 03-06-2021, New Cases Reported: 18,324; Total Active Cases: 2,86,798; New Covid Deaths: 514; Total Covid Deaths: 30,531. Around 1,82,306 were vaccinated yesterday with a total of 1,43,27,273 have been vaccinated in the state till now. Chief Minister BS Yeddyurappa on Friday announced the second package of Rs 500 crore for various classes who have been hit by the corona lockdown. Karnataka has the third highest number of tests in the country, with the total number exceeding 3.01 crore. Express train carrying 110.84 tonnes of liquid medical oxygen from Gujarat arrived at the city's Whitefield ICD depot on Wednesday night. A total of 2,78,417 tonnes of Oxygen has been shipped to the state, Southwest Railways said.

**Andhra Pradesh:**State reported 11,421 new Covid-19 cases after testing 86,223 samples with 81 deaths, while 16,223 got discharged during the last 24 hours. A total of 1,03,37,846 doses of Covid vaccines have been administered in the state as on yesterday, which include 77,83,529 first doses and 25,54,317 second doses. Chief Minister YS Jagan Mohan Reddy sought the support of Kerala CM Pinarayi Vijayan and Chief Ministers of other States for a collaborative effort to speak in one voice and urge the Centre to take the responsibility of Covid-19 vaccination drive across the country. Meanwhile, as part of Operation SamudraSetu II, INS Airavat of the Eastern Naval Command arrived at Visakhapatnam yesterday with Covid relief stores which includes 158 MT of Liquid Medical Oxygen in seven Cryogenic Oxygen Tanks, 2722 Oxygen Cylinders and 10 ventilators from Vietnam and Singapore which were facilitated by the Indian Missions. The consignment is being handed over to various government agencies and NGOs after disembarkation.

**Telangana:**As directed by the State High Court, the Health Department is taking steps to ensure that the private hospitals return the excess amount collected for treatment from Covid patients and committees are being formed to pursue the matter with the concerned private hospitals. Till now a total of 62.23 Lakh doses of Covid vaccines have been administered to various sections of the society and still 9 lakh doses of vaccine stock is available with the health department as on yesterday. Meanwhile, as many as 2,261 new Covid cases and 18 deaths were reported yesterday taking the cumulative number of Covid cases in the state to 5,85,489 and fatalities to 3,331. Number of Active cases in the state now stands at 32,579.

**Assam:**46 more Covid patients died in Assam on Thursday even as 4,309 new infections were detected during the day from 1,07,075 tests. The positivity rate was 4.02 percent. Assam Health Minister Keshab Mahanta said that an additional 200 ICU beds are under construction at the parking area of the Guwahati Medical College and Hospital would be ready by mid June. Assam CM Himanta Biswa Sarma said that by December this year all people in the state will be vaccinated against COVID-19.

**Manipur:**The number of daily COVID-19 positive cases in the state dipped from 729 on Wednesday to 621 on Thursday with death of 10 persons in last 24 hrs.

The State Government approved the Catholic Church's proposal of setting up a dedicated COVID-19 ward at the Catholic Medical Center (CMC) Hospital at Koirengai in Imphal .

A total of 4,01,133 have been administered COVID-19 vaccine in Manipur.

### **Union Ministry of Health finalises advance arrangement with M/s Biological-E Ltd., Hyderabad for 30 cr COVID19 Vaccine doses**

Union Ministry of Health has finalised arrangements with Hyderabad based vaccine manufacturer Biological-E to reserve 30 crore of COVID-19 vaccine doses. These vaccine doses will be manufactured and stockpiled by M/s Biological-E from August-December 2021. For this purpose, the Union Ministry of Health would be making an advance payment of Rs. 1500 crore to M/s Biological-E.

The COVID-19 vaccine of Biological-E is currently undergoing Phase-3 clinical trial after showing promising results in Phase 1 and 2 clinical trials. The vaccine being developed by Biological-E is a RBD protein sub-unit vaccine and is likely to be available in the next few months.

The proposal of M/s Biological-E was examined and recommended for approval after due diligence by National Expert Group on Vaccine Administration for COVID-19 (NEGVAC).

## INPUTS FROM PIB FIELD UNITS

f

**Kerala:** The State government has included 11 more categories, in the priority group under the 18-44 age group for Covid-19 vaccination. As many as 32 categories of people belonging to the age group were included in the group earlier by considering them as frontline workers. As per the new decision, field workers of Meteorology Department, field workers of Metro rail, field worker of water metro, Hajj pilgrims, ambulance drivers, bank employees, medical representatives, Air India field officers, police trainees, volunteers working in the field and all above 18 years in Tribal colonies will also come in the priority group. Judicial Officers and staff of High Court and Subordinate Courts, bedridden patients of the age group between 18 and 44 and age group above 45 years have also been included in this list.

**in** Meanwhile, Kerala recorded highest single-day toll of 213 deaths yesterday with the death toll mounting to 9222. 19,661 new Covid cases were also reported and TPR was at 15.3%. A total of 97,27,370 people have so far been vaccinated in the state. Out of this, 76,19,545 had first dose and 21,07,825 second dose.

**Tamil Nadu:** Students, teachers, parents and academicians in Tamil Nadu have requested the State government to cancel the Class 12 board examinations taking a cue from the central government's decision cancelling both the CBSE exams. Black Fungus: TN Health Department said that the government has established 312 beds in Government hospitals in Chennai to exclusively cater to those affected by Black Fungus. Chief Minister MK Stalin on Wednesday asked the Union government to ensure supply of vaccine doses proportionate to the population of Tamil Nadu to recommence vaccination drive and operationalize the Integrated Vaccine Complex (IVC) in Chengalpet at the earliest. TN's Covid-19 toll crossed 25,000 on Wednesday as 483 more people succumbed to the infection. Across the State, there was a further dip in fresh infections, with 25,317 people testing positive for Covid-19. Till date 93,39,816 have been vaccinated across the State, of which 72,77,828 received first dose and 20,61,988 received second dose.

**Karnataka:** As per the State Government bulletin released for 02-06-2021, New Cases Reported: 16,387; Total Active Cases: 2, 93,024; New Covid Deaths: 463; Total Covid Deaths: 30,017; Around 1,21,723 were vaccinated yesterday with a total of 1,40,22,690 have been vaccinated in the state till now. Chief Minister has given priority to preparing for the possible Covid 3rd wave, ensuring the submission of a study report within a week by task force headed by expert Dr Devi Prasad Shetty on Wednesday. The government is supplying nutritious food to workers who are engaged in smart city works. Since the start of the lockdown, thousands of workers have been served breakfast and lunch three times a day. To accelerate testing for Covid-19 and arrest the pandemic spread, a quicker option is ready to be unfurled at the Kempegowda International Airport on Thursday - mobile van testing. The vans equipped with mobile laboratories can conduct up to 2,000 tests daily.

**Andhra Pradesh:** State reported 12,768 new Covid-19 cases after testing 98,048 samples with 98 deaths, while 15,612 got discharged during the last 24 hours. Total cases: 17,17,156; Active cases: 1,43,795; Discharges: 15,62,229; Deaths: 11,132. A total of 1,02,25,904 doses of Covid vaccines have been administered in the state as on yesterday, which include 76,78,110 first doses and 25,47,794 second doses. Nearly 3.60 lakh Covishield vaccine doses from the Serum Institute reached Vijayawada airport today. The State also received 50 oxygen cylinders and another 50 oxygen concentrators from Delhi. Vijayawada International Airport resumed operation of international flights destined to Gulf nations and

### **Busting Myths of Vaccination**

Government of India has been supporting the efforts of States and UTs for an effective Vaccination drive under the 'Whole of Government' approach since 16<sup>th</sup> January, this year. In order to streamline availability of the vaccine doses, the Central Government has been constantly in touch with the vaccine manufacturers and has opened up different procurement options for states/UTs since 1<sup>st</sup> May 2021.

There have been several unfounded media reports that have peddled misinformation among the masses regarding this exercise of national importance. There have been media reports alleging the Union Government promising 120 million doses of vaccines during June 2021 while administering only around 58 million doses from the total of 79 million doses available in the month of May. This report is factually incorrect and without any basis.

As per the data at 7:00 am, on 1<sup>st</sup> June 2021, between 1<sup>st</sup>-31<sup>st</sup> May 2021, a total of 61.06 million doses of vaccines have been administered by States/ UTs. A total of 16.22 million balance and unutilized doses were available with States/ UTs. The total vaccines shots available from 1<sup>st</sup> May – 31<sup>st</sup> May 2021 were 79.45 million.

For details: <https://www.pib.gov.in/PressReleasePage.aspx?PRID=1723628>

### **More than 23 crore vaccine doses provided to States/UTs**

Government of India has so far provided, both through the free of cost category and through direct state procurement category, **more than 23 crore vaccine doses** (23,35,86,960) to States/UTs.

Of this, the total consumption, including wastages is 21,71,44,022 doses (as per data available at 8 AM today).

More than 1.64 crore COVID Vaccine doses (1,64,42,938) are still available with the States/UTs to be administered.

For details: <https://www.pib.gov.in/PressReleasePage.aspx?PRID=1723633>

### **500-bed COVID Care hospital set up by DRDO inaugurated in Haldwani, Uttarakhand**

A 500-bed COVID Care Hospital set up by Defence Research and Development Organisation (DRDO) in Haldwani was virtually inaugurated by Chief Minister of Uttarakhand Shri Tirath Singh Rawat on June 02, 2021. This facility comprises 375 oxygen beds and 125 ICU beds with ventilators. With 100 per cent power backup, it is centrally air conditioned for all weather conditions. Pathology laboratory, Pharmacy, X-Ray and ECG etc. are inherent part of the facility. The Centre will become fully operational from June 03, 2021.

For details: <https://www.pib.gov.in/PressReleasePage.aspx?PRID=1723653>

### **Centre takes steps to accelerate domestic vaccine production**

With the aim of vaccinating the entire eligible population at the earliest, domestic vaccine production is being steadily ramped up in the country with help from the Centre.

As part of this initiative, three public enterprises are being supported by the Department of Biotechnology under Atmanirbhar Bharat 3.0 Mission CovidSuraksha. These enterprises are the

1. Haffkine Biopharmaceutical Corporation Ltd, Mumbai,
2. Indian Immunologicals Ltd, Hyderabad and
3. Bharat Immunologicals&Biologicals Ltd, Bulandshahar, UP.

HaffkineBiopharma, a Maharashtra state PSU is getting ready to manufacture Covaxin vaccine under technology transfer arrangement with Bharat Biotech Ltd, Hyderabad. The production will take place at the Parel complex of the company.

For details: <https://www.pib.gov.in/PressReleasePage.aspx?PRID=1723608>

### **A new AI-driven platform will facilitate early-COVID interventions over Whatsapp**

A new AI-driven platform will now help early intervention through rapid screening of COVID 19 with the help of Chest X-ray interpretation over WhatsApp for doctors who have access to X-ray machines. The solution called XraySetu can work with low-resolution images sent via mobiles, is quick and easy to use, and can facilitate detection in rural areas.

### **Shri Dharmendra Pradhan dedicates 100-bedded COVID care facility in Rourkela Steel Plant, Odisha**

Union Minister of Petroleum and Natural Gas & Steel Shri Dharmendra Pradhan today dedicated to the nation, IspatNidaanKendra,a 100-bedded COVID care facility in SAIL's Rourkela Steel Plant, Odisha. The facility will be later scaled up to 500 beds. All the beds in this Jumbo COVID-care facility have the provision of gaseous oxygen directly through dedicated line drawn directly from the oxygen unit of the steel plant. The provision of gaseous oxygen will help in getting rid of the need to replenish cylinders and the logistic issues, besides ensuring uninterrupted availability of the life saving gas. This jumbo facility, which has been set up within a record time, is in addition to the beds and ICU beds already made available earlier for fight against COVID.

## **INPUTS FROM PIB FIELD OFFICES**

**Maharashtra:** The Health Department has said that no significant change was seen in Covid19 infection in children after reviewing the data of Covid-19 patients of past six months in the state. This was informed by the additional chief secretary of the state's Health Department Dr. Pradeep Vyas. It was found that the infection has occurred to 1.3 percent in the age group of 0 to 5 years, 2.4 percent in 6 to 11 years, 4.1 percent in the 12 to 17 years during November 2020 to April 2021. The percentage of the whole age group between zero to 17 years was 7.8 percent. There are about 4,000 cases of mucormycosis in the state at present, informed State Health Minister Rajesh Tope on Tuesday. The State Government has made arrangements to treat all patients with mucormycosis free of cost, he further informed. Treatment rates of COVID-19 in private hospitals at the tehsil and district levels have been reduced by the State Government to give relief to patients outside big cities.

**Gujarat:** Gujarat Secondary and Higher Secondary Education Board has cancelled the Class XII Board Examination, informed State Education Minister BhupendrasinhChudasama. 1561 new COVID-19 cases have been reported on Tuesday. There are 29,015 active patients in the state where recovery rate is 95.21%. On Tuesday, 1.96 lakh people have been vaccinated. Till date, 1,10,205 people in the 18-44

years age group have been given COVID-19 vaccine in the state.

**Rajasthan:** Rajasthan reported 1002 new COVID-19 cases, 65 deaths, and 6114 recoveries on Tuesday. There are 37,477 active cases at present. Maximum new cases were reported from Jaipur (233), followed by Alwar (111) and Udaipur (107).

**Madhya Pradesh:** Madhya Pradesh reported 987 active cases of mucormycosis. Chief Minister Shivraj Singh Chouhan has said that special attention is being paid to the treatment of mucormycosis in the state and to ensure timely delivery of Amphotericin-B and other medicines to every hospital that is treating it. Out of 20 thousand 303 active patients of Corona in the state, 12 thousand 906 patients are in home isolation. 'Kill Corona' Campaign is being run in rural and urban areas in the state. So far 11,341 Covid patients have been treated free of cost under the CovidUpcharYojana in the state. The state cabinet approved the implementation of MukhyaMantri Covid-19 YoddhaKalyan Scheme for the period of two months for personnel serving like warriors in prevention of Covid-19 epidemic. The state cabinet also gave approval to various points of the Covid-19 BalKalyanScheme and MukhyaMantri Covid-19 VisheshAnugrahYojana. Madhya Pradesh Board Class 12 Examination has been cancelled in view of the pandemic. The state has reported 1078 new COVID-19 cases, 45 deaths, and 4120 recoveries on Tuesday.

**Chhattisgarh:** Chhattisgarh reported 1886 new COVID-19 cases along with 4471 recoveries on Tuesday. The positivity rate is continuously decreasing in the state and was at 3.1% as on Tuesday. In the state, 20.20% citizens, that is 59.20 lakh people have received atleast one dose of the vaccine. In the age group of 18-44 years, 7.89 lakh people have received the first dose.

**Goa:** Goa reported 903 new COVID-19 cases along with 22 fatalities and 1777 recoveries on Monday. The state has witnessed a downward trend in deaths on Tuesday. There are 11,867 active cases in the state at present. With the vaccination of 4009 people on Tuesday, the total number of vaccines administered in Goa has reached 5,21,940.

**Kerala:** The Kerala Assembly today unanimously passed a resolution urging the Centre to provide free universal vaccination. The resolution also wants the Centre to float global tenders to procure vaccines for the entire country rather than asking states to purchase separately. Meanwhile, the state reported 19,760 new Covid cases on Tuesday. The TPR stands at 15.13%. The death toll has crossed 9,000. A total of 96,42,277 people has so far been vaccinated in the state. Out of this, 75,44,092 had first dose and 20,98,185 second dose.

**Tamil Nadu:** Chief Minister M.K. Stalin on Tuesday said the lockdown to contain the spread of Covid-19 could not be extended endlessly and people's cooperation was needed to put a full stop to it soon. As many as 518 people have been affected by mucormycosis in Tamil Nadu so far, and of these, 17 have died, Minister for Medical and Family Welfare Ma. Subramanian said on Tuesday. The State's daily Covid-19 case count dipped to 26,513 on Tuesday, bringing its active caseload below the 3 lakh-mark. However, the toll due to the infection remained high, as 490 more people, including a 105-year-old woman, succumbed to it. Tamil Nadu, which had announced the suspension of vaccination drive from Wednesday, is to continue inoculating people after it received 4.95 lakh vaccines from the central

government on Tuesday night. The Tamil Nadu Department of Prisons and Correctional Services has vaccinated 30% of the 4,297 convicts lodged in prisons across the State. Till date 92,35,652 have been vaccinated across TN, of which 71,85,963 received first dose and 20,49,689 received second dose.

**Karnataka:**As per the State Government bulletin released for 01-06-2021, New Cases Reported: 14,304; Total Active Cases: 2,98,299; New Covid Deaths: 464; Total Covid Deaths: 29,554. Around 1,62,227 were vaccinated yesterday with a total of 1,38,46,247 having been vaccinated in the state till now. The government has received 5.76 lakh doses of Covishield vaccine on Tuesday in the Central government quota. The total quantity of Covishield obtained from the Center is 1.14 crore doses. On Tuesday, 352 tonnes of oxygen were delivered by 3 trains in a single day. The state has so far received 2561.24 tons of oxygen. The number of new cases of coronavirus in Bangalore is declining, with less than 4,000 cases registered for the second consecutive day. 7 genomic labs to be set up in Karnataka to study mutated strains found in 2nd Covid wave, Health Minister Dr K Sudhakar said.

**Andhra Pradesh:**State reported 11,303 new Covid-19 cases after testing 93,704 samples with 104 deaths, while 18,257 got discharged during the last 24 hours. Total cases: 17,04,388; Active cases: 1,46,737; Discharges: 15,46,617; Deaths: 11,034. A total of 1,00,73,383 doses of Covid vaccines have been administered in the state as on yesterday, which include 75,43,454 first doses and 25,29,929 second doses. The State crossed a milestone on Tuesday as over one crore people took Covid jabs, first and second doses combined together. In the first fortnight of June, the state is expected to get another 8,76,870 doses from the Centre. The state government is purchasing another 20,74,730 on its own but the stocks are expected only in the second half of the month, according to the health officials. The state received 3 cryogenic oxygen tanks from Singapore handed over by Megha Engineering & Infrastructures Limited (MEIL). Meanwhile, due to the prevailing Coronavirus situation in the state, summer vacation for students in grades 1 through 10 has been extended until June 30th in all the schools across Andhra Pradesh.

**Telangana:**The State Health Department has revoked the Covid treatment permission for six more private hospitals in the state. Till now, 22 hospitals have been barred from treating Covid patients as they were collecting exorbitant charges from patients and not following Covid treatment protocol. The largest Sputnik-V consignment of 27.90 Lakh more doses arrived in Hyderabad from Russia yesterday. With this, a total of 30 Lakh doses of Sputnik-V arrived in India. Telangana High Court directed the State Health Department to initiate steps to make private hospitals that overcharged Covid patients to return the excess amount. It also asked the health department to issue a fresh GO fixing the maximum prices to all the medical services and tests related to Covid. Meanwhile, as many as 2,493 new cases and 15 fatalities were reported in the state yesterday taking the total number of cases to 5,80,844 and fatalities to 3,296. The number of Active Cases in the state now stands at 33,254.

**Assam:**Defence Minister Rajnath Singh on Tuesday complimented Assam Chief Minister Himanta Biswa Sarma for his government's tireless fight against the COVID-19 pandemic in the state and also assured to provide all possible support in the coming days.

51 COVID patients died in the state on Tuesday, with 4,682 new infections detected during the day out of 1,16,513 tests conducted. The positivity rate was 4.05 percent. With people from outside returning to

the State due to the COVID-19 pandemic and recent trends showing a surge in Covid-19 cases in rural areas, the state government has notified fresh SOP for managing the virus in rural areas even as it launched the third phase of the community surveillance programme from Tuesday.

**Manipur:** Covid claimed 18 more lives with 798 more infections in the state. With the aim of early detection and early medication to flatten the COVID-19 curve, Chief Minister N Biren Singh flagged off “Aggressive Mass COVID-19 Testing drive in Imphal West” .So far, 3,88,761 individuals have been administered Covid vaccine including 80,335, who have received the second dose.

**Sikkim:** Sikkim recorded 309 new Covid positive cases and four new Covid-related deaths on Tuesday. With 334 recoveries, the total active tally now is 3,992.

A review meeting of State Executive Committee held on 30th May has decided that henceforth, Rapid Antigen Testing (RAT) will be conducted in Government’s facilities only.

**Tripura:** Highest single day tests -16,918 of which 841 tested positive and 6 died in last 24 hours While 864 people recovered in the same time. Meanwhile state government has fixed Covid rate for ILS and TMC hospitals in Agartala. The decision was taken by council of ministers so as to put a cap on the charges of Non Government hospitals.

**Nagaland:** Nagaland registered 176 new Covid cases and 9 deaths on Tuesday. Active cases are 4725 while tally reached 21,854.

**Punjab:** The total number of patients tested Positive is 569756. Number of active cases is 33444. Total Deaths reported is 14649. Total COVID-19 Vaccinated with 1st dose (Healthcare + Frontline Workers) is 920914. Total COVID-19 Vaccinated with 2nd dose (Healthcare + Frontline Workers) is 253715. Total above 45 Vaccinated with 1st dose is 2846545. Total above 45 Vaccinated with 2nd dose is 486154. Total 18-44 years age group Vaccinated with 1st dose is 466597.

**Haryana:** Total Number of Samples found positive till date is 757868. Total active COVID-19 patients is 16280. Number of deaths is 8383. Cumulative number of people vaccinated till date is 5770019.

**Chandigarh:** Total Lab confirmed COVID-19 cases is 60154. Total number of Active Cases is 1481. Total number of COVID-19 deaths till date is 758.

**Himachal Pradesh:** Total number of patients tested Covid positive till date is 191251. Total number of Active Cases is 12407. Total deaths reported till date is 3165.

## **Under ‘Pradhan Mantri Garib Kalyan Package (PMGKP): Insurance Scheme for Health Workers Fighting COVID-19’, a New system of processing of the Insurance claims introduced to streamline the Process**

‘Pradhan Mantri Garib Kalyan Package (PMGKP) Insurance Scheme for Health Workers Fighting COVID-19’ was launched w.e.f. 30.03.2020 initially for a period of 90 days to provide comprehensive personal accident cover of Rs. 50 lakh to all healthcare providers, including community health workers and private health workers drafted by the government for the care of Covid-19 patients and for those who may have come in direct contact of COVID-19 patients and were at risk of being impacted by it. The scheme is being implemented through an Insurance policy from New India Assurance Company (NIACL). The insurance policy has been extended twice so far.

States and other stakeholders had been raising the matter that the processing of the insurance claims was getting delayed. In order to cut down on these delays and to further streamline and simplify the processing of the insurance claims, it has been decided to start a new system for approval of claims as per which the due diligence will be done by State Governments at the level of District Collector.

## **f Government's effort to augment domestic production ensured supply-demand balance of COVID 19 treatment drugs**

Union Minister Shri D.V Sadananda Gowda today said that consistent efforts of Government to augment domestic production resulted in a stabilised supply-demand balance of COVID treatment drugs across the country.

 The Minister informed that total 98.87 lakh vials of Remdesivir were allocated to States, UTs & Central Institutions from 21st April to 30th May 2021. Production of Remdesivir has been ramped up ten times leading to enough supply than the demand. With the accelerated production, we are planning to supply up to 91 lakh vials up to the end of June, he added. He further informed that Cipla has imported 11,000 vials of 400 mg and 50,000 vials of 80 mg of Tocilizumab from April 25-May 30, 2021. In addition, MoHFW received 1002 vials of 400 mg & 50,024 vials of 80 mg via donation in May. Further, 20,000 vials of 80 mg and 1000 vials of 200 mg are likely to arrive in June, he added.

Shri Gowda informed that about 2,70,060 vials of Amphotericin B have been allocated to States/UTs & Central Institutions from 11th May to 30th May 2021. This is in addition to the supplies of 81651 vials that had been made by manufacturers to States in the first week of May. For details: <https://www.pib.gov.in/PressReleasePage.aspx?PRID=1723419>

## **Southern States of Andhra Pradesh, Tamil Nadu, Karnataka and Telangana receive more than 2000 MT of LMO each from Oxygen Expresses; Assam receives its fourth Oxygen Express with 80 MT of LMO**

Indian Railways is continuing its journey of bringing relief by delivering Liquid Medical Oxygen(LMO) to various states across the country. So far, Indian Railways has delivered more than 22916 MT of LMO in more than 1357 tankers to various states across the country.

It may be noted that 334 Oxygen Expresses have completed their journey so far and brought relief to various States.

Southern States of Andhra Pradesh, Tamil Nadu, Karnataka and Telangana received more than 2000 MT of Liquid Medical Oxygen(LMO) each from Oxygen Expresses.

Assam received its fourth Oxygen Express with 80 MT of Liquid Medical Oxygen(LMO) in 4 tankers.

It is worth mentioning that Oxygen Expresses started their deliveries 38 days back on 24th April in Maharashtra with a load of 126 MT.

INPUTS FROM  **FIELD UNITS**

**f Kerala:** State Chief Minister Pinarayi Vijayan has said that one crore people will be vaccinated in the state by next month. Vaccination of people above 45 years of age is nearing completion in many districts. For those under 45, jabs for priority sections are also nearing completion. This will be completed once the vaccine is obtained. The state has asked Centre for more vaccines. Meanwhile, the TPR in the state dropped below 15% after 45 days on Monday as it recorded 12,300 new Covid-19 cases from 89,345 samples tested. The death toll due to the disease rose to 8,815 after confirming 174 more deaths. A total of 95,09,831 people has so far been vaccinated in the state. Out of this, 74,29,230 had first dose and 20,80,601 second dose.

**in Tamil Nadu:** TN promoted students studying in classes I to VIII. Tamil Nadu is expecting vaccine supply from the Union government as its current stock of around five lakh doses will get exhausted by Tuesday, Minister for Medical and Family Welfare Ma. Subramanian said on Monday. Five patients including three from Tamil Nadu succumbed to black fungus infection in hospitals in the Union territory of Puducherry so far. The Centre has allocated 600 doses of Amphotericin B to Tamil Nadu. The State on Monday registered 27,936 new cases, and the total number of infections has touched 20,96,516. A total of 478 more deaths were reported on Monday in the State. There are a total of 3,01,781 active cases of Covid-19 in the State. The TN health department has said that a total of 1,62,375 people were vaccinated yesterday in the state. Till date 90,94,255 have been vaccinated across TN, of which 70,61,570 received first dose and 20,32,685 received second dose.

**Karnataka:** New Cases Reported: 16,604; Total Active Cases: 3,13,730; New Covid Deaths: 411; Total Covid Deaths: 29,090. Around 1,77,637 were vaccinated yesterday with a total of 1,36,17,575 have been vaccinated in the state till now. Gaurav Gupta, Chief Commissioner of BBMP, said that the Covid vaccine will be administered by the mobile unit at the workplace for frontline workers aged between 18 and 44 in various categories in the city. Less than four thousand cases of Covid infection were reported in the Bangalore city after 55 days on Monday, with 3992 people infected. Expanding the list of preferential groups for Covid-19 vaccination, the Karnataka government on Monday declared that students and working professionals travelling overseas for employment will be provided with vaccine from June 1.

**Andhra Pradesh:** State reported 7943 new Covid-19 cases after testing 83,461 samples with 98 deaths, while 19,845 got discharged during the last 24 hours. Total cases: 16,93,085; Active cases: 1,53,795; Discharges: 15,28,360; Deaths: 10,930. A total of 98,63,347 doses of Covid vaccine have been administered in the state as on yesterday, which include 73,50,968 first doses and 25,12,379 second doses. The positivity rate has now come down to 9.5 per cent. Chief Minister YS Jagan Mohan Reddy directed the officials to vaccinate students going abroad for studies and also to those who are going abroad on work visa providing them a certificate from the government that they were vaccinated. Meanwhile, 14 out of 1179 people infected with black fungus have died and 97 recovered in the state while, 1068 patients are undergoing treatment in various hospitals for black fungus.

**Telangana:** Health Department has revoked Covid treatment permission for six more hospitals in the state for collecting exorbitant charges for treatment and violating Covid treatment protocol. As part of its special vaccination drive to inoculate high risk groups first, the State Health Department decided to vaccinate Auto and Cab drivers from 3rd of this month. Due to the Covid pandemic, the State Government has extended summer holidays for schools till June 15. As many as 2,524 new daily cases and 18 fatalities were reported in the state yesterday taking the total number of cases to 5,78,351 and fatalities to 3281. The number of Active Cases in the state now stands at 34,083. The recovery rate in the state is reported to be at 93.53 percent against the national average of 91.6 percent.

**Maharashtra:** With Covid-19 cases on a steady decline, the Brihanmumbai Municipal Corporation on Monday allowed non-essential shops to function between 7 am to 2 pm on alternate days from Monday to Friday for the next 15 days. Maharashtra on Monday reported 15,077 new COVID-19 cases, the lowest since March 15, taking the caseload to 57,46,892, while 184 more deaths pushed the toll to 95,344. As many as 33,000 patients were discharged from hospitals during the day, pushing the number of recovered cases to 53,95,370. The state now has 2,53,367 active cases. Meanwhile, Mumbai city reported 666 new cases and 29 deaths, taking its tally to 7,05,288 and the toll to 14,826.

**Gujarat:** Gujarat on Monday reported 1,681 new Covid cases and 18 deaths. This tally was the lowest in 71 days, whereas the mortality rate was the lowest for 55 days. For cities, the Covid tally reduced further with at least one and a half times more discharges than the number of new cases.

Gujarat on Monday administered 2 lakh shots of Covid vaccines, of which 1.66 lakh were first shots. The state government has decided to give vaccination on priority to students who are going abroad for higher education.

**Rajasthan:** Rajasthan chief minister Ashok Gehlot has issued guidelines to start the "unlock" process and eased certain restrictions from Wednesday as cases of the coronavirus disease (Covid-19) have come down in the state. However, exemption for various activities will be given only in areas where the positivity rate is less than 10 per cent or the use of oxygen, intensive care unit (ICU) and ventilator beds is less than 60 per cent, Ashok Gehlot has said.

Rajasthan recorded 68 Covid-19 deaths and 1,498 new cases on Monday, taking the total number of fatalities and case tally to 8,385 and 9,39,958 respectively.

**Madhya Pradesh:** Madhya Pradesh chief minister Shivraj Singh Chouhan said on Monday that the ongoing 'corona curfew' in the state has been extended till June 15 but certain relaxations will be given in order to revive the economy. The COVID-19 tally in Madhya Pradesh rose to 7,80,030 on Monday with the addition of 1,205 new cases, while 48 more deaths pushed the fatality count to 8,067. It is after a gap of over two months that less than 1,300 coronavirus cases have been reported in a day in Madhya Pradesh, indicating that the second COVID-19 wave is on the wane. The number of active cases in the state stands at 23,390.

**Chhattisgarh:** The Chhattisgarh Government on Monday extended the lockdown, which was scheduled to end on May 31, and said that it will continue with some relaxation in restrictions in those districts where the COVID-19 case positivity rate is less than five per cent.

Chhattisgarh's COVID-19 count rose to 9,71,463 on Monday with the addition of 2,163 fresh cases, while the death toll increased to 13,048 after 32 more patients succumbed to the infection. The number of recoveries reached 9,22,674. The number of active cases in the state now stands at 35,741.

**Goa:** The Covid-19 positivity rate in Goa has now come down to 19 per cent as against 51 per cent a month back. Dr Shivanand Bandekar, head of the state's expert committee on COVID-19 has said that till last week, the coastal state reported a total of 12 cases of mucormycosis, and since then there has been no fresh case of the black fungus infection.

The Goa government has decided to expand the definition of frontline workers to make taxi drivers, motorcycle pilots as well as seafarers eligible for the Covid-19 vaccine.

**Assam:** In Assam, COVID-19 positivity rate dropped below 4 in the State even as 4,348 new infections were detected from 1,11,586 tests. The positivity rate was 3.90. Kamrup Metro saw 384 new cases. Casualties in the state in the last 24 hours were 65.

From June 1, 2021, medical teams will start visiting every household in the 28,149 villages across the state to track and break the COVID-19 chain.

As many as 304 gaon panchayat, village council development committees and village development councils of Assam remain COVID free and no infections have been reported from those places so far.

**Manipur:** Manipur crosses 50 thousand mark with 869 more cases. 14 more succumb to take death tally to 807 in the State. Manipur Chief Minister said that will not allow detractors to sabotage the collective fight against the pandemic. DCs, CMOs advised to intensify vaccination.

**Meghalaya:** Meghalaya is now witnessing a decline in the number of fresh cases daily while the recovery rate has been climbing steadily since last week. For the fourth straight day, the number of recoveries overshadowed the new cases. 408 new cases were detected in the state on Monday as against 977 recoveries, a new record.

**Gujarat:** State registered 117 new COVID-19 cases and 12 deaths during the last 24 hours. Active cases are 4934 while tally reaches 21,680. Mokokchung oxygen plant installed under PM Cares Fund cleared for use but not yet operational. Connection of oxygen pipelines to 50 Covid beds completed on May 30.

**Tripura:** The State tops in the country with highest number of vaccination for the population above 45 informed education minister of Tripura in a press meet in Agartala. Further the infection rate is also declining in the state. Positivity rate has come down to 2.51%. While West Tripura district which was having highest positivity rate in the state has also shown declining trend with positivity rate of 3.12.

**Sikkim:** 146 new cases detected in the past 24 hours to take the State's tally of confirmed cases to 15,317 on Monday. This is a substantial lowering given that earlier this week Sikkim broke the 400-mark and had many days of 300-plus daily cases. While the drop in daily cases is reassuring, fatalities continue to remain a worry and Sikkim's COVID death toll reached 253 with three more COVID patients succumbing to the virus in the last 24 hours.
