

Union Health Minister Shri. Mansukh Mandaviya reviews COVID-19 Situation in Karnataka and Tamil Nadu

Discussed matters related to COVID-19 management with Health Ministers of Karnataka and Tamil Nadu over a telephonic conversation

With COVID cases rising in Kerala, adequate steps should be taken to contain the inter-state spread of COVID-19: Union Health Minister

Posted On: 01 SEP 2021 6:17PM by PIB Delhi

In a telephonic conversation today with the Health Ministers of Karnataka and Tamil Nadu, the Union Minister of Health and Family Welfare, Shri. Mansukh Mandaviya reviewed the COVID-19 situation in these States. Due to the rising cases in Kerala, the Union Health Minister discussed matters related to COVID-19 management in those areas of States of Karnataka and Tamil Nadu, which border Kerala.

Highlighting the need to take adequate steps to contain the inter-state spread of COVID-19, Shri. Mansukh Mandaviya requested the respective Health Ministers of Karnataka and Tamil Nadu to increase the pace of vaccination in the bordering districts to Kerala.

The Government of India has been at the forefront in the fight against the COVID-19 pandemic. Vaccination forms an integral component of the five-point strategy of Government of India to fight the pandemic (including Test, Track, Treat and COVID Appropriate Behaviour). India has been running the largest vaccination drive against COVID-19 since January 16th, 2021.
