25

Repeal and savings.

STATEMENT OF OBJECTS AND REASONS

The Essential Commodities Act, 1955 (10 of 1955) was enacted to regulate the production, supply and distribution of, and trade and commerce in, certain commodities which are declared as essential commodities and specified in the Schedule to that Act.

2. While India has become surplus in most agricultural commodities, farmers have been unable to get better prices due to lack of investment in cold storage, warehouses, processing and export as entrepreneurs get discouraged by the regulatory mechanisms in the Essential Commodities Act, 1955. A High Powered Committee of Chief Ministers who examined this issue, recommended removal of stringent restrictions on stock, movement and price control of agricultural foodstuffs for attracting private investments in agricultural marketing and infrastructure.

3. Due to COVID19 pandemic, the economy had been adversely affected leading to unemployment and slowdown. The agriculture sector has the potential of making significant contribution to economic growth and therefore, to boost immediate investment in this sector, increase competition and enhance farmers' income, there was a need to create an environment based on ease of doing business and for removing the fear of frequent statutory controls under the Essential Commodities Act.

4. As Parliament was not in session and there was an immediate need for legislation in this regard, the Essential Commodities (Amendment) Ordinance, 2020 was promulgated by the President of India on the 5th day of June, 2020 under clause (1) of article 123 of the Constitution.

5. The Essential Commodities (Amendment) Bill, 2020 which seeks to replace the Essential Commodities (Amendment) Ordinance, 2020 (Ord.8 of 2020) provides in the newly inserted sub-section (IA) to section 3 that notwithstanding the provisions of sub-section (I),—

(a) the supply of such agricultural foodstuff as are notified by the Central Government shall be regulated only under extraordinary circumstances which may include war, famine, extraordinary price rise and natural calamity of grave nature;

(b) any action for imposing stock limit shall be based on price rise, subject to the conditions and exemptions specified therein.

6. The Bill seeks to replace the aforesaid Ordinance.
